

## Earth Art

Continuing the topic of Earth Art, the children are exploring leaves.

Task 1. Use a leaf you have found to create an image. You can print the leaf, paint around it, or stick them down.

Task 2. Draw a leaf. Using pencil try and draw a leaf as accurately as you can, you can use one of the leaves you have collected.

Task 3. Draw a second leaf using the four-box grid. In each section colour the leaf using a different medium. For example, paint, pencil, felt tip and oil pastels.
